Spend an evening outside and have dinner under the stars on the beautiful [Farmer's Bottega](#) patio, and enjoy one of their new farm-to-fork menu items.

Menu items are characterized as Modern Americana-Italiano cuisine, and include a simple Heirloom Tomato Flatbread to Flat Iron Pork. Farmer's Bottega also offers a wide variety of all-natural dishes, sure to satisfy every palate. Pair your dish with a glass of wine off of the extensive wine list that highlights vinos from the vineyards of Napa Valley to the rolling hills of Tuscany and everywhere in between.

Farmer's Bottega offers a garden-like outdoor patio that pairs with their all-natural menu. A cool breeze and the taste of sunshine can be enjoyed in this garden-filled escape that will make for a refreshing springtime experience. At night, surround yourselves with outdoor lighting and heaters that will make for a pleasantly relaxed evening meal. This patio is dog friendly, so invite your furry friend along for the ride!
